## About Us

Sadhu Vaswani Institute of Management Studies (SVIMS) for Girls, Pune, set up in 2010 as a self-financed Professional Institution, is recognised by the All-India Council for Technical Education and affiliated to the Savitribai Phule Pune University. The Institute enjoys an 'A' Grade accreditation by NAAC (National Assessment and Accreditation Council) and NBA accreditation (National Board of Accreditation) for our MBA programme. This accreditation positions us among an elite group of institutions in Maharashtra. Among the 26 NBA-Accredited Colleges in the State, only 7 currently hold Active Accreditation, and we are one of just two Institutions Accredited until 2027. This prestigious recognition underscores our commitment to Academic Excellence, Industry-Relevant Education, and the Highest Quality Standards in Management Education, empowering future leaders for success.

What lends us distinction is our lineage from the Sadhu Vaswani Mission, our parent body. This lineage gives us our unique identity, our special values and our fundamental moorings in ethics and fair practices. We impart an education that build character and competence. Our Founders, Sadhu Vaswani and Rev Dada J P Vaswani emphasized that true education should combine knowledge with values, nurturing individuals committed to service, simplicity, and sacrifice.

The Sadhu Vaswani Institute of Management Studies (SVIMS) for Girls, Pune, represents the culmination of our Rev. Founder, Sadhu Vaswani's dream to empower women in the interests of social and national progress. The institution is inspired by the faith that, "In the new unfolding of India's destiny, women have to play an important part". As Sadhu Vaswani often said: The woman-soul will lead us upward, on! Our goal is to help produce a new generation of women managers who will not only be self-confident and sensible, but also ethical and sensitive to the tremendous challenges they will face in the corporate world. We hope to create a new generation of successful women professionals, who will combine idealism and pragmatism in their approach to the challenges of personal and professional life.

## Empowering Women through Management & Tech Education

India at 135 out of 146 countries in Gender Parity; 143 in economic participation and opportunity and 107 in educational attainment [Gender Gap Report 2022 - World Economic Forum] is struggling to achieve Sustainable Development Goal 5: Gender Equality.

There is under representation of women in positions of power and decision making. In India, [Mercer Study 2022] in the technology sector for instance, only 12-17% of positions at the managerial level are occupied by women, and a mere 4-8% at executive levels. This skewed, 'one gender view' leadership has caused long term harm to economic growth and social development.

There is a need for conscious and integrated effort to reduce this gender gap. SVIMS is a progressive walk towards a gender-just world and its associated moral, human, economic and development benefits. Our distinction lies in providing women management and tech education – superior tools to seek empowerment - economic, social, and psychological.

We are committed to empower and nurture women in value centred, transformative leadership and management. We seek to forge a new social order where women will claim their rights to leadership and management based on their competence and exercise of ethics and human values. In the early 20th century, our Revered Founder, Sadhu T. L. Vaswani, prophesied that a new world is in the making and women will be called upon to build this new world. He believed that woman is a symbol of shakti. "Shakti," he said, "is not force, shakti is integration." Woman is the centre of integration. Shakti includes intelligence and Sadhu Vaswani wanted this shakti to unfold through the provision of value based, transformative education, irrespective of the education stream one takes up.

At SVIMS, thus while we build the competence of our students and teach them facets of leadership: vision building, skills of organizing, handling power, assuming responsibility, we most importantly teach them to use their shakti to be ethical, inclusive, compassionate and make and take decisions that integrate and bring about sustainability, equitable growth and Lok Kalyan. We teach our turf to use education to serve society at large.

We encourage students to live our motto ‘**Believe and Achieve**’ and put into practice our values of Righteousness, Reverence, Reliability and Resourcefulness to guide thought and action. Such an education, we believe helps reigning in of negative tendencies and prevents derailment of leaders. This training is the ‘differentiator’ in the nature and nurture of our education and training. Our uniqueness and distinction emerges from the fact that we are perhaps, the only PG Level Professional Educational Institution that has a thirty-minute session on each teaching day earmarked for teaching life skills, human values and ethics. We call such special sessions as Art of Living / Sanctuary sessions. It is through these sessions, that we help students imbibe human values and ethics.

## MCA Programme

### Programme Outcomes (POs)

#### PO1: Computing Knowledge

Apply knowledge of computing fundamentals, computing specialization, mathematics, and domain knowledge appropriate for the computing specialization to the abstraction and conceptualization of computing models from defined problems and requirements.

## PO2: Problem Analysis

Identify, formulate, research literature, and solve complex Computing problems reaching substantiated conclusions using fundamental principles of Mathematics, Computing sciences, and relevant domain disciplines.

## PO3: Design & Development

Design and evaluate solutions for complex computing problems, and design and evaluate systems, components, or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

## PO4: Research & Development

Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of information to provide valid conclusions.

## PO5: Prompt Tool Usage

Create, select, adapt and apply appropriate techniques, resources, and modern computing tools to complex computing activities, with an understanding of the limitations.

## PO6: Ethical Practices

Understand and commit to professional ethics and cyber regulations, responsibilities, and norms of professional computing practice

## PO7: Lifelong Learning

Recognize the need, and have the ability, to engage in independent learning for continual development as a Computing professional.

## PO8: Professional Skills

Demonstrate knowledge and understanding of computing and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

## PO9: Communication Skills

Communicate effectively with the computing community, and with society at large, about complex computing activities by being able to comprehend and write effective reports, design documentation, make effective presentations, and give and understand clear instructions.

## PO10: Societal Contribution

Understand and assess societal, environmental, health, safety, legal, and cultural issues within local and global contexts, and the consequential

responsibilities relevant to professional computing practice.

## PO11: Teamwork & Leadership

Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary environments.

## PO12: Innovation & Sustainability

Identify a timely opportunity and using innovation to pursue that opportunity to create value and wealth for the betterment of the individual and society at large.

## Internship and Placements

Internships and placements are integral to shaping students' professional journeys by offering them practical exposure and industry insights. The logos displayed below represent our esteemed industry partners who have collaborated with us to provide meaningful internship and placement opportunities. These partnerships enable students to apply their academic knowledge in real-world settings, enhance their skills, and prepare for successful careers. We are proud to be associated with these organizations that play a crucial role in bridging the gap between campus and corporate life.

### OUR RECRUITERS

The SSPU results have been declared recently and as per policies of some companies recruitments happen only after students have successfully cleared their degree exams. As such recruitment is still in process at SVIMS. However, about 60% of our students have been placed in reputed companies and given below are a few of such placements during the year 2024-2025.

- The students must make proper, legal and ethical use of internet facility as provided by the Institute. The facility is provided essentially for educational purposes and should not be misused.
- Each student is responsible for ensuring that she does not violate the cyber laws of the Institute.

### **Extra- Curricular Activities**

- Students are encouraged to actively participate in games, debates, dramatics and other co-curricular activities, as organized by the Institute. Such participations help to build confidence and contribute to the overall development of the student. The Institute strikes the required balance between participation of the students in extra-curricular activities and the academic performance. The

following are the points students must adhere to in case they organize / arrange for any event / festivals/ activities:

- The students must take permission of the Director well in advance (atleast three days before the event) for any event / activity they plan to conduct. A faculty member must be approached or appointed to be the Supervisor / Guide during the whole process.
- The students must ensure that a detailed financial statement with all financial transactions, receipts and expenditure, are duly accounted for and submitted within two days of the completion of the event / activity along with all supporting vouchers to the Faculty In-charge who shall then submit it to the accounts after being approved by the Director.
- The students must ascertain that all expenditure is incurred within the budget approved before the event to avoid any difficulty in settling of the bills at a later stage.
- When / if funding is sought from outside agencies or individuals as sponsorship of festival events, then all such funding should be available before the start of the festival.
- No student is authorized to sign any written agreement with any sponsor of any event on behalf of the Institute.
- No student shall be allowed to undertake any action or activity that shall negatively affect the reputation of the Institute.
- No student shall collect any money or contribution for picnic, trip, and Educational visit to some place, get-together, study-notes, charity or any other activity without prior sanction of the HOD and / or Director.

#### **Administrative Procedures**

- Students applying for certificates, testimonials, etc. that requires the Director's signature / approval should approach the Institute's office rather than directly approaching the Director.

- Students receiving Government or Institute Scholarships or any remission in fees, must note that the grant and continuance thereof are subject to good behavior, regular attendance, satisfactory progress and good results / academic records in the Institute as well as SPPU assessments.
- The students are required to read the notice boards regularly for important announcements made by the Institute office from time to time. Given the pandemic, the pertinent information is shared through emails and WhatsApp.
- It is the responsibility of the students to keep abreast of the information shared. No excuse / reason shall be entertained for the failure to do so.

#### **Disciplinary Action**

- The misuse/mis-handling of Institute's resources such as library books, computer lab, furniture etc. will attract heavy fines – individual and/or collective- besides disciplinary action.
- Any misconduct/misbehavior reported shall be liable for strict action.
- Any malpractice during examination would be viewed seriously and punished as decided by the Institute / SPPU authorities. One who copies and one who helps the other are equally guilty and shall be punished equally; as per the Maharashtra Prevention of Malpractices at the Examination Act.
- Cheating or copying during midterm/ End term examination and / or class test will have serious implications. The Director would have the discretion to levy the punishment in such cases.
- A student shall invite disciplinary action from the Institute, if she violates the Code of conduct of the Institute.
- The punishment, as a consequence of the disciplinary action may be any one or a combination of:-
  - Warning
  - Fine
  - Suspension

- Cancellation of admission
- A student, who feels aggrieved with the punishment awarded, may appeal to the Director stating clearly the case and explaining her/his position, and seeking reconsideration of the decision.

## Anti - Ragging

Ragging is an evil for the educational institutes and society as a whole. The University Grants Commission has made regulations to prohibit, prevent and eliminate the scourge of ragging in Higher Educational Institutions. SVIMS in compliance with these regulations has adopted a zero-tolerance policy towards ragging and has constituted Anti- Ragging Committee, Anti-Ragging squads and Mentoring Cell to prevent and deal with ragging among the students.

### Refer:

- 1) University Grants Commission (UGC) regulations on curbing the menace of ragging in Higher Educational Institutions, 2009 under Section 26 (1) (g) of the University Grants Commission Act, 1956 Gazette of India, Part III, Section- 4, Dated 4th July 2009, F.1-16/2007(CPP-II)
- 2) All India Council for Technical Education New Delhi Notification regarding curbing the menace of ragging in Higher Educational Institutions, Dated 1st July 2009
- 3) F.No.37-3/Legal/AICTE/2009 – In exercise of the powers conferred under Section 23 read with Section 10 (b), (g), (p) and (q) of AICTE Act, 1987

### What constitutes Ragging?

According to Regulation 4 of AICTE Act, 1987, ragging constitutes one or more of any of the following acts:

- 1) Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
  - a) Indulging in rowdy or undisciplined activities by any student or students which

causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;

- b) Asking any student to do any act which such student will not in the ordinary course do and which has effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- c) Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- d) Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- e) Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
- f) Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- g) Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;
- h) Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student
