**Preamble:** The new MBA curriculum is designed with national priorities and international practices in mind. It also makes an effort to match the programme structure and course material to student aspirations and recruiter expectations. This syllabus also tries to correlate with the National Goals of "Make in India," "Start-Up and Stand-Up India," and "Digital India."

**Need for Revision of the Curriculum:** The MBA programme curriculum at Savitribai Phule Pune University was last revised in the academic year 2013 and there was a need for revision due to the dynamism in industry practises, evolution in technology, and changing expectations of key stakeholders such as students, industry, and faculty members at large. It is also relevant due to the nation's changing technological, social, cultural, and economic environment.

### Revision applicable:
